Pastor Ram Prasad inaugurating Mahima Church in Louina

DEAR FRIENDS,

"IT IS ONE THING TO GO TO CHURCH OR CHAPEL; IT IS QUITE ANOTHER THING TO GO TO GOD."

- CHARLES SPURGEON

I love God, and it is my passion to see His kingdom continue to expand and grow. There is a lot happening in our churches. Most of these fellowships had humble beginnings, starting with a mat on the floor of a small home. A few believers gathered to pray, sing, and open the Word together. That was all. But God was in that room, and He did not leave them small. Today, those same fellowships are outgrowing the homes where they started. We know the church is not about the building. It is about the people. Yet these communities deserve a place they can truly call their own, a place where children learn about Jesus and the next generation grows in faith. What God started on a mat, we believe He will continue to build. Would you stand with us?

Louina: A Dream Come True

For a long time, the believers in Louina prayed for their own place of worship. They talked, prayed, and trusted God for their need, and finally it is ready this year. Pastor Ram Prasad and his congregation did the work with their hands. They gave what they had. With God's help and the help of the church believers and CFA, the building is now complete. Thank God that what was once a dream is now a place where families will gather and worship and learn from God's Word.

Phutung Church, Kathmandu

Five people were baptized a few months back after their decision to walk with God. Pastor Prem and his team are doing wonderful work. They host and conduct great youth seminars. The youth are very active in this church. There is something deeply moving about watching the next generation invest in the house of God with their own hands. They are owning it. It was wonderful to see the building getting painted and looking much better and more beautiful. Of course, the tin roof is getting older, and we need to expand the fellowship hall as well.

Pastor Dal baptizing in Banchare

Banchare Fellowship

Pastor Sanjimaya has been used by God tremendously, and the church continues to grow and welcome new people, and more people are added to His kingdom.

Jiri Church

We have been working on this church for months. Finally, they have started painting and putting in carpet. The goal is to have the church ready before Christmas, so the whole church family can celebrate in their new place.

Special Thank You

Special thank you to Christoph Brocker from Switzerland, who has been teaching in our local churches and training leaders for many years. Thank you so much on behalf of the entire CFA team. Thank you all for praying and contributing to the work. Thank you for your partnership!

Prayer Request

Please pray for the 71 children in our three children's homes in Nepal as we prepare to celebrate Christmas with them. We are praying to raise $5,625 ($75 per person) to provide each child (and four elderly people) with a special Christmas gift, a delicious meal and winter clothes. Please pray that God will provide the funds needed and that every child will experience the joy, love, and hope of Christmas.
